

Coxhoe Community Calendar 2016

Updated 8th March 2016

Introduction

There's a whole lotta things going on in Coxhoe. Are you planning an event? Do you want it on a night that does not conflict with other events? Do you want some additional publicity for it for free!

We'll check out this Community Calendar and let us know what you are planning and when. We can publicise it on the Parish Council Community website. In addition, if you let us know in time we might be able to advertise it in the quarterly edition of the popular Coxhoe Chronicle, delivered to every household in the village (March, June, September and December).

Please note that things that happen every week that have been notified, for example, Slimming World every Monday in St Andrews Church, are listed in Part Two of this Community Calendar. **Contact:** Ian Forster at ianforster176@btinternet.com
